- 🐾 Professional Grooming

Focus on Wellness

We practice preventive medicine and emphasize owner education. In following our motto, "**Let us help you love your pets!**" the **Town & Country Veterinary Wellness Programs** provide the guidance needed to help maintain pets' mental and physical well-being. This is a continuous process of adjusting to the changing demands of our pets' lives and physical conditions. **Town & Country Veterinary Hospital** is here to help through all phases of your pets' lives.

- 🐾 Routine Wellness Care & Vaccinations
- 🐾 Parasite Detection & Prevention
- 🐾 Prenatal Care & Delivery Assistance
- 🐾 Neonatal & Pediatric Care
- 🐾 Spays & Neuters
- 🐾 Geriatric Care
- 🐾 Hospice Care

Professional Grooming

Your pets' good health includes caring for the outside as well as the inside. **Town & Country** offers grooming services for dogs and cats at our "**SPAw**," to help. Professional grooming enhances your pets' hygiene, while contributing to a healthier coat and skin. Offering more than just haircuts, all of our grooming packages include a bath, nail trim and ear cleaning. Schedule a day at the "**SPAw**" for your pets. *They'll love your for it!*

Urgent Medical & Hospital Care

We strive to provide our community with veterinary medical care whenever it is needed. That is why we are open **24 hours a day - 7 days a week**. With our on-site lab, surgical suite, and in-house radiology, we have the resources and facilities available for your sick or injured pet, when you need them.

Pet Dentistry

Good oral health is vital to good health overall. We provide extensive dental care including routine prophylactic cleanings, dental radiographic evaluations, surgical extractions, and oral surgery. Allow us to show you how to begin an oral care routine at home.

Boarding Services

Sometimes our furry family members need a home away from home. We offer boarding facilities and caring staff to make your pets' stay safe and secure. Because our boarding facilities are co-located with our hospital, owners may wish to take advantage of routine wellness services during their pets' boarding stay.

In order to provide a healthy environment, we require all of our boarders to be current on all vaccinations, including those for upper respiratory infections for dogs.

Referral Program

At **Town & Country**, we recognize the highest form of compliment is a referral by our clients. We sincerely appreciate the faith and trust you have in us when you tell other "pet parents" to bring their furry, scaly, or feathered loved ones to us for medical care.

As a thank you for referring us to your friends and family, we offer our **Referral Rewards Program**. For every new client that tells us they've been referred by you, we will send you a gift certificate worth **\$20.00**. You can use these **Referral Rewards Certificates** for future veterinary services, medications, your pet's boarding, or even grooming services!

We thank you for your trust in
Town & Country!
